Two daughters are married, one residing in Oakland and one resident on the islands, at present on a visit to the coast. The Star extends sympathy to the family.

### Fair Skins

are made fairer by the application of

## Maile Cream.

There is no excuse for having facial blemishes when by the application of MAILE CREAM they can be eradicated and finally cured, leaving the skin clear and soft.

After a seabath, a game of golf or tennis, a drive or a run on the bicycle, a small portion of MAILE CREAM applied to the face and hands proves most beneficial in relieving the skin of that burning and irritating sensation caused by the action of the elements upon a tender skin.

## Do You Know

how easy it is and how little it costs to get rid of Freckles, Eruptions, Sunburn, and Tan on the Face and Hands?

Everyone who is out of doors more or less is liable to have the complexion marred by these summer blemishes.

The disastrous results of wind and sun on delicate skins are distressing and painful, but can be eradicated by an application or two of
